## Moving Forward by Giving Back

2020 and 2021 have been years unlike any other. The challenges facing our colleagues, patients, and their families in the past eighteen months have been unprecedented and permanently life-altering. Despite these challenges, I am honored to report the generosity and support of our donors, volunteers and event sponsors have continued to make a difference in our specialty through the support of young faculty. In fact, a number of current and past grant recipients have published scientific and clinical discoveries during the pandemic that influenced, changed, and improved how we practice medicine.

The pandemic made us pivot to honoring our awardees and lectureship honorees via livestream. The annual run/walk conducted virtually over two weeks was very successful (special thanks to the participants who provided photos). Once again, we were able to award four grants of \$240,000 each over three years to promising physician scientists.

Now, we must turn to the future and not be content with past successes. As I am writing this, we are accepting Letters of Intent for our 2022 Faculty Development Awards. We are making plans for a return to an in-person Foundation Benefit and 5K Run/Walk in Phoenix in February. We continue to fundraise for lectureships that honor those who have made tremendous contributions to our specialty.

I look forward to reporting further successes and continuing to advance the AAAAI Foundation's mission: *Funding research that leads to the prevention and cure of asthma and allergic and immunologic disease.*

# 2020 RSL Challenge

The RSL (Regional, State & Local Societies) Challenge is a friendly fundraising competition between regional A/I Societies. Funds raised in 2020 went directly towards supporting research to strengthen the specialty and practice by making four Faculty Development Awards possible in 2021.

Total 2020 RSL Campaign  
Funds Raised:

\$51,386.32

## Announcing the 2021 RSL Challenge

### Reach out, Support & Lead for the AAAAI Foundation!

For 2021, we are updating the RSL Challenge. Instead of a yearlong fundraising competition, the RSL Challenge will take place over the month of November culminating on **#GivingTuesday**, November 30. The Society that raises the most funds in their name will be eligible for free certification for a 2022 CME course and up to \$1,500 to be used for speaker fees and expenses.

As November approaches, look for further communication regarding this new, exciting way to support improved patient outcomes by developing new treatments and educating new A/I specialists.

Make a difference by donating on #GivingTuesday, November 30

# 2021 Faculty Development Award Recipients

## Overview

The AAAAI Foundation is pleased to announce the recipients of our 2021 Faculty Development Awards! These annual awards of \$240,000 each provide strategic funding at a critical point in their career development. Congratulations, awardees!

# Annual Meeting Events Summary

## Overview

The AAAAI Foundation would like to thank everyone whose support made possible our events in conjunction with the AAAAI Virtual Annual Meeting. While we missed seeing our supporters in person, we were thrilled to be able to put on successful virtual events that further our mission: *to fund research that leads to the prevention and cure of asthma and allergic and immunologic disease.*

## Virtual Awards Celebration

Since we were not able to come together for an in-person Benefit, we held a Virtual Awards Celebration on Friday, February 26.

The Virtual Awards Celebration, jointly hosted by the AAAAI and AAAAI Foundation, featured the President and President-Elect Reception, Honorary Awards Luncheon and the AAAAI Foundation Benefit as one exciting presentation. Together, we celebrated and recognized AAAAI Leadership, Past Presidents, Honorary Awards, Lectureships and Grant recipients.

Did you miss the live presentation? View the recording at <https://www.aaaifoundation.org/special-events/benefit>.

Congratulations to all of our awardees and grant recipients!

Thank you to Genentech for sponsoring this event.

## Words from our Awardees

*"I'm so grateful to the foundation for your investment in me and my project on Alpha-gal Syndrome. Thank you so much for your vote of confidence in me and my career."*

Onyinye I. Iweala, MD PhD

*"I'd like to thank the AAAAI for honoring me with a 2020 Faculty Development Award. I'm truly humbled by the recognition of the Academy for my potential work within our field."*

Michael G. Sherenian, MD

We look forward to seeing you at the 2022 AAAAI Annual Meeting in Phoenix! For up-to-date information on our special events and lectureships, please visit [aaaifoundation.org](http://aaaifoundation.org).

# FACULTY DEVELOPMENT AWARD

## 2022 AWARD TIMELINE

**Letter of Intent Opens:**

**July 6, 2021**

**Letter of Intent Due:**

**September 7, 2021**

**Top Finalists Notified:**

**October 11, 2021**

**Complete Applications Due:**

**November 12, 2021**

**Review Results Announced:**

**January 2022**

This mentored award provides a minimum of \$240,000 in funding over a three-year period and is intended to support the development of careers in Allergy and Immunology. Multiple awards will be made to further the development of junior faculty into independent investigators by funding excellent research that leads to the prevention and cure of asthma and allergic and immunologic diseases.

The AAAAI Foundation is committed to increasing ethnic and racial diversity in the A/I field, and strongly encourages minority applicants to apply. Further, the AAAAI Foundation is committed to geographic diversity in the A/I field, and strongly encourages applications from diverse geographic areas.

### Eligibility:

- Must be board certified in A/I by the American Board of Allergy and Immunology (ABAI) or hold the equivalent certification from the Royal College of Physicians and Surgeons of Canada (RCPSC).
- At the time of Letter of Intent, applicant must be no more than 5 years post the ACGME mandated training program requirement of 2 years in A/I.
- Primary faculty appointment must be in the discipline of A/I and the applicant needs to have a current mentor.
- One of the following degrees: MD, MD/PhD, DO, DO/PhD.
- Applicants must be citizens or permanent residents of the United States or Canada.
- Applicants must be AAAAI members or submit a membership application prior to submitting a Letter of Intent.
- No program can have more than 2 active Foundation Faculty Development Awards.
- A sponsoring university or institution that has multiple A/I training programs cannot have more than three active awards.

Award term is July 1, 2022 to June 30, 2025. For complete details, please visit [aaaifoundation.org/research](http://aaaifoundation.org/research)
